
Why do you stand (Coming King)

1. Why do you stand, stand and stare
The tomb is empty He is not there
He will return just as he said
To judge the living and the dead

Chorus

*Jesus Christ Prince of Peace
Freeing captives brings release
Majesty, high renown
Coming king, you claim your crown
(last time) Coming king, you claim your crown*

2. My Saviour rides on the clouds
Call His name, shout it loud
The angel speaks, the trumpet sounds
Come Lord Jesus claim your crown
3. He is making all things new
His word is faithful, His word is true
Satan's foe and sinners friend
The beginning and the end

Acts 1:11
