

# Compassionate God

---

Jonah 4:2

Chorus

Compassionate God  
The ancient of days  
Compassionate God  
Your mercy never fails

Verse 1

Never ending is your love for me  
Even if I lose my way  
In distress I called out to you LORD,  
And you listened to my cry.

Verse 2

And I know that you're a gracious God  
Slow to anger in your love  
Your compassion turns your anger away  
So that we shall never die

Bridge

I worship the LORD, God of heaven and earth
