## Compassionate God – Jonah 4:2

*Compassionate God, the Ancient of Days*  
*Compassionate God, your mercy never fails*

Never ending is your love for me,  
Even if I lose my way  
In distress I called out to you Lord  
And you listened to my cry

*Compassionate God, the Ancient of Days*  
*Compassionate God, your mercy never fails*

And I know that you're a gracious God,  
Slow to anger in your love.  
Your compassion turns your anger away,  
So that we shall never die

*Compassionate God, the Ancient of Days*  
*Compassionate God, your mercy never fails*

I worship the Lord, God of heaven and earth  
I worship the Lord, God of heaven and earth

*Compassionate God, the Ancient of Days*  
*Compassionate God, your mercy never fails*  
*Your mercy never fails*
