

In this place (A song of approach)

1. In this place I come to the cross
All I have done, I count it as loss
Surrendering all for the pearl of great price
In this place, in this place
2. In this place I sit at your feet
Washed by the word, you make me complete
In wonder and praise your mercy I seek
In this place, in this place

Bridge

You are Lord of all, Lord of all
Though I rise on the wings of the dawn
I am held in your hand
Held in your hand

3, (For communion)

In this place the table is spread
Cup of new wine and broken bread
Your love is revealed as you died in our stead
In this place, in this place

4. In this place I renew my vow
To follow you every day every hour
O breath of God fall on us now
In this place, in this place, in this place
