

Far from home (*By His grace*)

Far from home and running scared
Didn't seem to have a prayer
Lifted up when I was down
By His grace I'm found

By His grace I'm found
By His grace I'm found

On my own, my weakness showed
Till I saw just what I owed
Strength was mine when I bowed down
By His grace I'm found

Emptiness gave way to peace
My surrender brought release
Here I stand on solid ground
By His grace I'm found

Undeserved and unbeknown
Grace came down from heaven's throne
I'm redeemed without a sound
By this grace I'm found.
